

There's Nothing Chic About Satanism

April 24, 2023

("Progressives" are witting & unwitting Satanists)

The "woke" promotion of vaccines, Ukraine, homosexuality, transvestism, CRT, "climate change" has nothing to do with human rights, or it would not trample on the human rights of healthy people. *It is a flimsy pretext for the destruction of Christian Western civilization, depopulation and the imposition of a Communist New World Order dedicated to serving Satan.*

Satanism is war against God, i.e. the Moral and Natural Order. It negates and unravels both. It shreds the social fabric.

Satanism is *not* a religion. Religion discerns & obeys God's Will. Satanism is an anti-religion. It is anti-life. Its god is Death. It is the religion of Death and Destruction.

Atheists and agnostics are Satanists. Creation is a Miracle. If you deny the Creator's Design and Purpose, you are a Satanist. The only way mankind will make our rendezvous with God is for us all to serve Him by living morally and doing His work, as we see it. Raising healthy children is an example.

Revelation 12:9 "...that old serpent, called the Devil, and Satan, which deceiveth the whole world."

"When we introduced into the State organism the poison of liberalism its whole political complexion underwent a change. States have been seized with a mortal illness--blood poisoning. All that remains is to await the end of their death agony." (Protocols of Zion, 9)

"In order that the true meaning of things may not strike the goyim before the proper time, we shall mask it under the alleged ardent desire to serve the working classes..." (Protocols of Zion, 6)

A millennia-old satanic conspiracy is reaching climax. If it is not arrested, mankind will enter a new Dark Age.

"But he that sinneth against Me wrongeth his own soul: **all they that hate Me love death.**" Proverbs 8:36

Satanism Explained

by Henry Makow PhD

1. They call themselves "progressives." Satanists invert everything. They champion everything sick and dysfunctional. They are actually "regressive."

Despite their moral pretensions, "progress" for them is the degradation and destruction of their fellow man.

God is Perfection in all things. They invert all things: Sickness is health; ugly is beautiful, false is true, injustice is justice, hate is love, [misery is bliss](https://www.henrymakow.com/2019/07/Television-ruined-my-life.html) (<https://www.henrymakow.com/2019/07/Television-ruined-my-life.html>), and vice versa.

2. Man is connected to God through his soul. Take away God and man flounders about like a fish out of water.

Looking to fill the void, he idealizes anything because his God connection has been severed. *Take away God, and man will create false Gods*, Carl Jung said.

See the absurd [idealization of women, sex and romance](https://www.henrymakow.com/kabbalah-how-sex-became-our-religion.html) (<https://www.henrymakow.com/kabbalah-how-sex-became-our-religion.html>); literature and art; "[great men](https://www.henrymakow.com/002046.html)," (<https://www.henrymakow.com/002046.html>)_politicians, celebrities, etc.

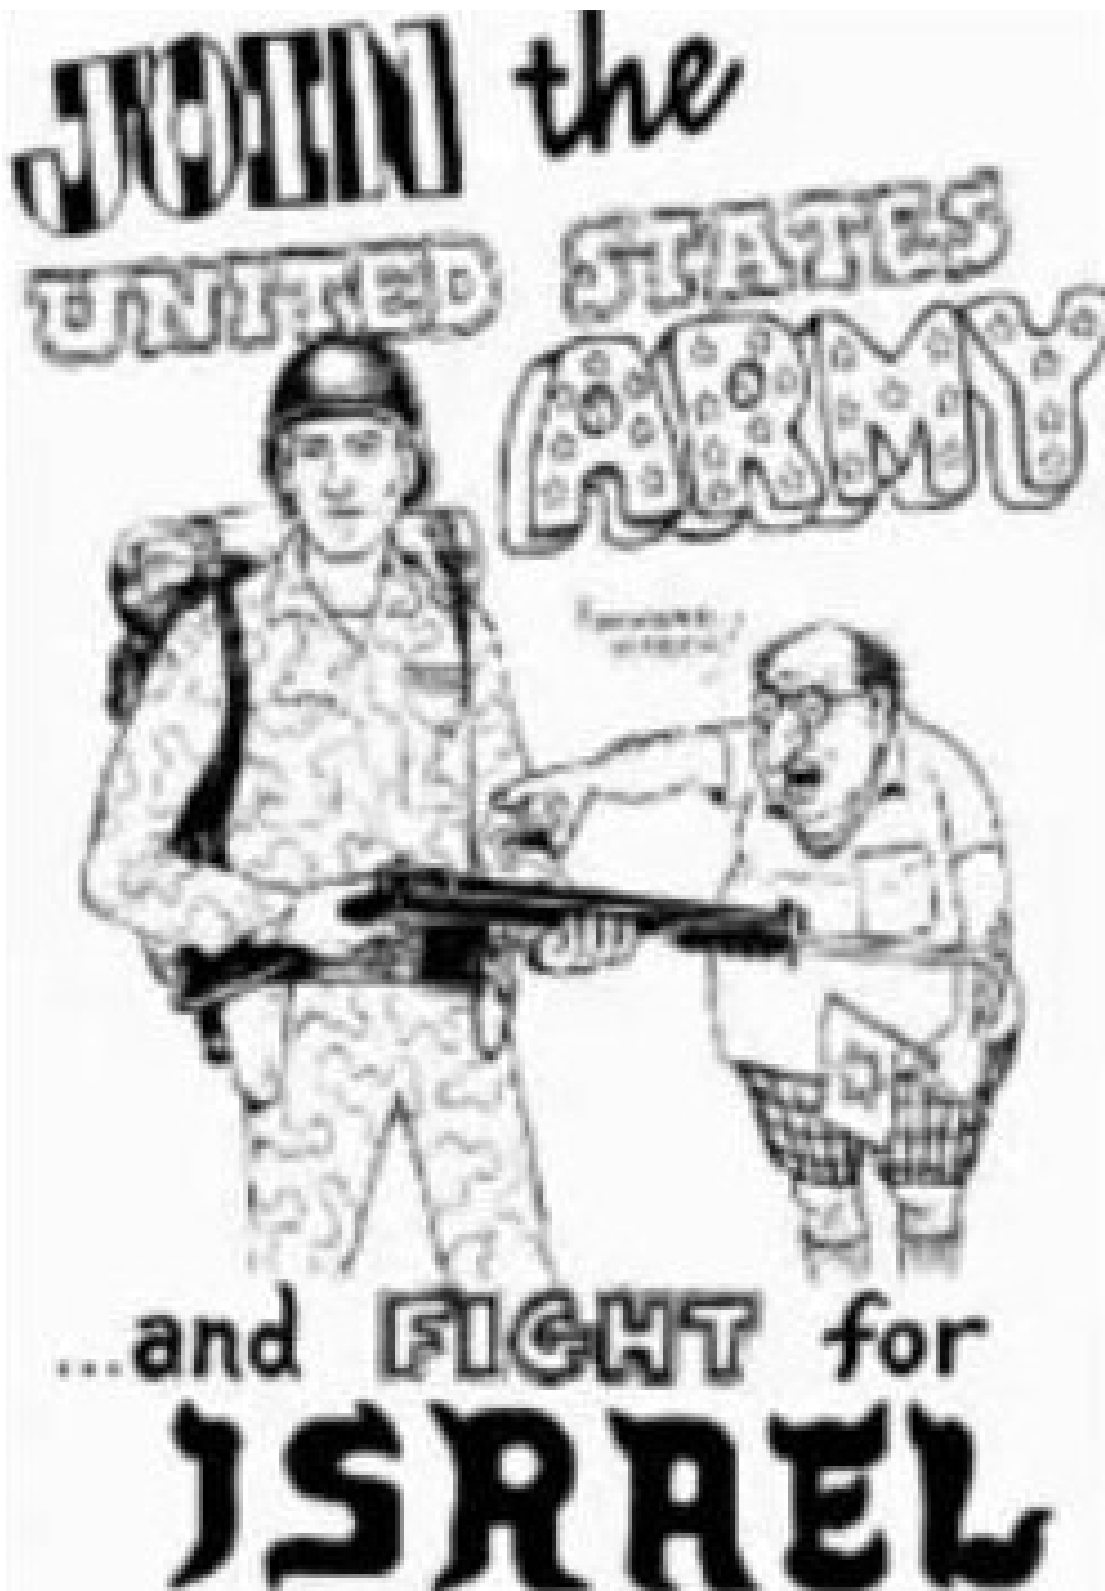

Because of his hunger for God, you can sell him *anything* as a substitute. He imagines he's getting God.

3. *We were programmed by God.* True religion simply is *following the program*. God is the program.

Satanists are trying to *deprogram us*. (*For example, we are being forced to unlearn heterosexuality.*) Why?

Money and power as usual. One percent has over 50% of the wealth and *they want it all*. Like the COVID hoax and vaccinations, cancel culture is about cancelling us. Depopulation.

4. Although we've been brainwashed to deny God, we're actually in love with God, the freedom and bliss our souls crave.

God is
Reality. The
Only Reality.

The God of
Satanism is
Death.

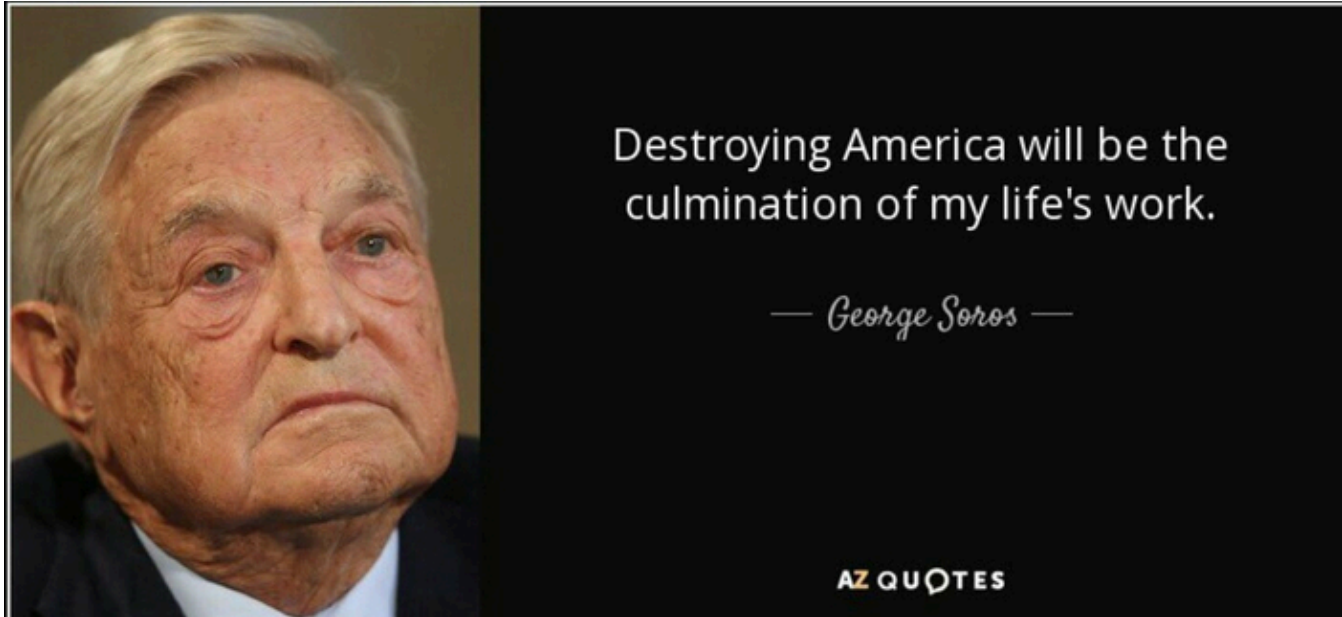

5. We are witnessing a cosmic struggle between Good and Evil, and I regret to say Evil is in charge and close to victory. Satanists (Freemasons) control both the "progressive"

and "conservative," "nationalist" positions. **There are no "nationalists" who are not also Zionists and defenders of the rich.**

6. Cabalists (Satanists) believe perception is reality. Thus they seize control of education and the media. Naturally, they deny the

existence of objective reality and objective truth (so they can substitute their own.)

Denial of objective truth is the denial of God. *God is Reality.*

7.

Man is sleepwalking to catastrophe. Satanists are setting the stage for a catastrophic third world war which will pit the US and UK , the EU (and Israel?) against the USSR, and possibly China, Iran. Everything "American" is already under attack. The plan already is plain to see.

8. As far as humans are concerned, **God is Consciousness.** God is a Moral Dimension, the Fourth Dimension, where Truth, Justice, Beauty, and Love are *self-evident* like light and darkness.

We are programmed to enter into the Light. Satanists lead us into Darkness. "We corrupt in order to control,"_

(https://en.wikipedia.org/wiki/Giuseppe_Mazzini)

Giuseppe Mazzini (https://en.wikipedia.org/wiki/Giuseppe_Mazzini)_

(https://en.wikipedia.org/wiki/Giuseppe_Mazzini)

said. Satanism is low or no **Consciousness.**

9. Satanists control the world central bank cartel. They have us by the short hairs. They create our "money" out of thin air. It is just digits on their Ledger which they can erase at any time. **They're leveraging this to control everything, including thought, culture, religion, and your children. Banks are actively promoting homosexuality and white displacement yet we trust them with our "money"?**

10. We're being inducted into Cabalism at the lowest level. Satanic cults exploit and control their members by making them sick, corrupt, and perverted. Sick as in gender dysphoria, sex addiction, promiscuity, pornography, pedophilia, incest, "vaccines," endless war... They have undermined the most wonderful and essential thing in life, the love between man and woman, and parents and children. The nuclear family is the red blood cell of society. These fiends are determined to kill it.

I'm 73 and will only be around for another decade or two. But I shudder to think of what is in store for humanity.

It's time to recognize our dire predicament. A fatal cancer infects all social institutions. It must be recognized and addressed.

Will Western Civilization go to its grave due to our fecklessness, cowardice and naivety?

First Comment from James C

(left. half time super bowl orgy)

I allow myself one football game a year, the so-called "Super Bowl." This is why I thought that a comment in your latest article is very perceptive: "Banks are actively promoting homosexuality and white displacement" Both homosexuality and white displacement were egregiously conspicuous in the latest Super Bowl commercials and half time show. Homosexuality, white displacement, and miscegenation are also increasingly apparent in commercials in general. Banks and corporations also seem to be in the process of pushing black ethnocentrism in their commercials, along with a growing presence of Chinese. Are they trying to tell us something? Or merely conditioning us for the inevitable?

I believe in the New Testament. Doesn't that make me a Christian?

..No Henry, you don't 'believe in the new Testament', as you stubbornly and persistently ignore the multiple times in the very same New Testament that makes it crystal clear that if you do not acknowledge Christ's Divinity, I.e. Who He Is, you cannot be saved.

You cannot 'believe in the New Testament' whilst rejecting or even being lukewarm to Who Christ Is.

If you want me to (yet again) send you passages where it says Christ is God and The Way, Truth and The Life, and if you reject this you reject God, please let me know.

Please publish this comment.

Thanks BG

Given the trouble we are in, i don't think it's helpful to argue whether Christ was God Himself, or an avatar who expressed God's Will. What is the difference?

Christ's message was that we must imitate Him.

I have nothing important to say, great article as usual. I read your web site everyday, the most import site I read now.

Indeed there is something most important I want to say. Concerning spirituality, "Therefore every scribe which is instructed unto the kingdom of heaven is like unto a man that is an householder, which bringeth forth out of his treasure things new and old."

You are not a Christian yet, and you don't have much time, may God Lord lead you into his marvelous glory in Jesus and his wondrous excellency, so the above-mentioned Bible verse is fulfilled.

God bless you, in Jesus name.

I read your article, and it scary how right on the button you are. I feel as if they will bring ruin to many thinking it will bring them wealth , without realizing it will ruin them too. This article was filled with with all the key points without missing a beat. How they do everything in their power to keep us divided and how we eat up everything they feed us which is corrupt, unjust, hateful, and much much more. I'm sorry to say , but I believe you are right and things will get really bad resulting in a war. I also think that by doing this it will mean an end to many things as we know it today or all together into nothingness.

I pray that this doesn't happen, however I see no other options of this playing out, we have to few people where they have the world drinking a corrupt infectious poisonous concoction out of their hand. Like you said they are everywhere and control everything. I can see a viable solution to this that could work effectively quickly, and I am a positive solution oriented guy. I very much hope you are wrong for all our sakes but I can't see it not happening.

I am so glad I came across your article. I really appreciate all the work that you have done. I am 20 years old, and in the last couple years, I began awakening to everything after starting nofap (No porn/masturbation). It was crazy how much I have changed, and all the information I have accumulated and learned is almost overwhelming... There's so much to share. Before that i was hopelessly addicted and enslaved.

I am currently at day 50, and after reading your articles, i am truly understanding the seriousness of this issue, and the weaponization of porn. This issue is so incredibly lethal, because most are COMPLETELY UNAWARE! The truth is hidden from them, and what infuriates me the most is how "doctors and health experts" encourage promiscuity and masturbation touting it as healthy. It is beyond egregious.
